In reply to your's of September 2nd., I beg to advise that Mr. C.B. Hastings, the legal representative, is in Regina, Sask.

There was no improvements done on the above noted land. The improvements were all done on the S.W. of 6-74-4-W.6th., Pat. Hstd. The original entrant lived on the S.W. 6-74-4-W.6th., from about 1918, until he died in January 1924, except for time he spent ~~xxxxxx~~ overseas in the army during the Great War, I am informed by neighbors.

There is a total of 110 acres broken on this patented homestead, 30 acres of which was broken in 1930.

Neighbors advise me that the original entrant was under the impression that he could have the his residence, and the extra breaking which was done on the homestead, apply on the Soldier Grant in order to secure patent.

The Legal representative never lived in this district, but has only been here on frequent visits, and it was him that arranged the 30 acres of breaking done in 1930. His present address is :- C/o Cockshutt Plow Co., Regina, Sask.

I remain,

EDMONTON, March 9th 1922-

Sir:-

N.E. 32-59-10-4th-
N.W. 3-60--10-4th
S.W. 12-60-10-4th-

Referring to your letter of January 28th, regarding fodder lien against the N.E. 32-59-10-4th, I am now advised by the Sec. Treasurer, that Mrs. Saunders had abandoned this land at the time the lien was given. The amount outstanding at the present time is as follows:-

Advance fodder relief..$75.55
Interest to date..... 10.97
$86.52

It would appear that a loss would be occasioned in this instance of the full amount, and as soon as we have ascertained from the Municipality, that such is the case, we will advise you in order that the matter may be adjusted as between the respective governments.

Your obedient servant,

DEPUTY MINISTER,

OTTAWA, 16th February, 1924.

Sir,

Your ref. 205271. 206693.

I beg to acknowledge the receipt of your communication of the 14th ultimo enclosing S.S.1.form No. 276, approval of the transfer of Pte. Arthur R. Willford's soldier grant entry from the South West quarter of Section 24, Township 61, Range 19, West 4th Meridian to the North West quarter of Section 35, Township 61, Range 19, West 4th Meridian.

As there would not appear to be any reason why this transfer should not be carried out you may carry out same in your records, provided you are aware of no reason to the contrary. When the entry has been transferred the loan should also be transferred to the North West quarter of Section 35, and the South East quarter of Section 35 may be made available for settlement purposes and authority has been received from the Soldier Settlement Board to withdraw the charge from the quarter-section and to register it against the new location.

The entry will, of course, be transferred subject to payment for the improvements on the North West quarter of Section 35 after valuation by a Homestead Inspector. Kindly instruct the Inspector to furnish a report.

Your obedient servant,

Secretary.

DOMINION LANDS ADMINISTRATION

29th September, 1923.

Mr. Perrin.

S.E. 1/4 3-78-21-W.4th Meridian.
Soldier grant - Mrs. Pierre Gouin.
(formerly Mrs. Alice Biron).
Date of entry - 15th October, 1921.

Kindly see the Deputy Minister's memorandum of the 21st ultimo, in which he gives instructions to have Mr. Bannerman furnish a report.

Mrs. Gouin, after remarriage, stated that it was inconvenient for her to complete the requisite settlement duties and she, therefore, requested to be allowed the privilege of purchasing her soldier grant at $1.00 per acre in lieu of further duties.

No soldier loan.

An Inspector, on the 20th June last, reported residence from the 15th October, 1921, to the 1st September, 1922, with her brother on the S.E. 1/4 3-78-21-W.4th M., fencing 3/4 mile - wire, no breaking, and fit for cultivation - 140 acres.

Mr. Matheson on the 14th instant, wrote to the effect that on account of stress of work it was thought advisable to transfer this investigation to Mr. Cunningham. He enclosed Mr. Bannerman's letter of the 12th idem also Inspector Cunningham's report and a statutory declaration executed by the entrant.

Mr. Bannerman is under the impression that the Department will be in a position to give a decision on Mr. Cunningham's report. The Inspector gave the entrant credit for residence from October 1921, to September 1922, with her brother; fencing 80 acres, 3 and 5 wire, $80.00; no other improvements.

The Inspector adds that up until three years ago the quarter section was partly under water but will require draining before becoming of much value; not worth more than $1. per acre at the present time. The entrant has two sons by her first husband, aged 15 and 18 years, and she wishes to acquire the land for them. The entrant is now living with her second husband on the S.E. 1/4, Alberta, nearly three hundred miles from the land. The Inspector was reliably informed that this woman was subjected to considerable hardships before and after the death of her soldier husband, until his retention in hospital and absence from home,

and she was obliged to dispose of her first husband's homestead in order to maintain herself and her two boys.

Recommended that the Inspector recommend that her request

TO HIS EXCELLENCY,

THE GOVERNOR-GENERAL IN COUNCIL.

The undersigned has the honour to report that on the 15th October, 1921, Mrs. Alice Biron acquired entry for the South East quarter of Section 8, Township 78, Range 21, west of the 5th Meridian, in the Province of Alberta, as a soldier grant, under the provisions of the Soldier Settlement Act, Statutes of 1919.

Mrs. Biron has since remarried Mr. Pierre Gouin of St. Paul de Metis, Alberta, where he is engaged in farming and whereas her soldier grant is reported to lie a matter of three hundred miles from her husband's holdings, it will be difficult for her to perform the settlement duties requisite for the earning of patent, although, prior to her marriage to the said Pierre Gouin, she was credited with having performed more than ten months residence with a relative in the vicinity and improved the quarter-section by constructing a fence valued at $40.00. An officer of the Department who has investigated the matter reports that the soldier grant of Mrs. Gouin is of inferior character.

Under the circumstances, the undersigned has the honour to recommend that Alice Gouin aforesaid be granted permission to purchase her soldier grant at the rate of $1.00 per acre in lieu of the performance of the unfulfilled settlement duties, providing that such sale shall exhaust her right of entry under the Soldier Settlement Act.

Respectfully submitted,

Minister of the Interior.

EP/EC File No. 4277975

Ottawa, 11th October, 1928.

Synopsis to accompany Memorandum to Council, dated 11th October, 1928.

Mrs. Pierre Gouin, formerly Mrs. Alice Biron, acquired entry for her soldier grant on the 15th October, 1921, and according to evidence submitted she performed more than ten months residence with a relative in the vicinity, besides improving the quarter-section by the construction of a fence valued by an Inspector at $40.00.

Since her marriage to Mr. Pierre Gouin of St. Paul de Metis, the entrant has been unable to complete the unfulfilled duties requisite for obtaining patent owing to the distance between her soldier grant and her husband's farm, and since it is represented that to insist upon a compliance with the requirements in this regard would cause Mrs. Gouin serious inconvenience and expense, it is proposed that she should be permitted to purchase the land at $1.00 per acre in lieu of further settlement duties, on the understanding that the option to purchase will exhaust her right of soldier grant entry.

COMMISSIONER

OTTAWA. 15th November, 1926.

MEMORANDUM:

Mr. Hume,

Application for patent,
Mr.C.N.Milner,
For his homestead,
S.W.¼ of 32-51-24, W.5th M.
Recommended.
Date of entry,- 26th May, 1923.
No Can.Pro.pending.

This man made application for patent on the 3rd of August, 1926, claiming residence on his purchased land as shown in red on Form 58A.

Homestead Inspector Hagen in his report of the 20th of September, 1926, credited the homesteader with residence as shown in pencil on Form 58A.

As you will observe the Inspector credited the homesteader with the necessary six months residence in each of three years, although it was not exactly the same periods as claimed by the homesteader.

The Agent in his covering letter refers to his letter of the 25th of September, last, to the homesteader requesting an explanation in view of the difference between his statements and that of the Inspector and asks that the application be accepted as satisfactory in view of the fact that sufficient residence is claimed therein and also credited in report. "The Inspector who furnished the report is no longer in the service of the Department."

Please say if you will accept.

The principal difficulty is in regard to the winter of 1925-26 during which the Inspector allows no residence. However this seems to be a good application in other respects.

Ottawa, 22nd June, 1910.

[illegible].

Re application of Charles C. Scheltema to purchase accrued area in [illegible] Meridian.

Referring to my memorandum to you of the 21st April heretofore, marked (with Sketch), and to yours of the 22nd idem, the following report from the Dominion Surveyor in this matter is now to hand:-

"There is about 50 ac es outside of [illegible] claimed by applicant on two [illegible] of this section that has been dry land [illegible] cut for hay for past two seasons [illegible] part of same has been cut for several years. [illegible] land floods in part for one or two weeks during freshet times owing to Libstone Creek [illegible] in and out of lake of same name. In my opinion, this application is the only eligible person to be permitted to buy and fair price for same at this date is six dollars per acre."

An abstract of title is [illegible] to hand showing title to the patented land in the [illegible] 4 to stand in the name of Samuel [illegible] property subject to caveat filed by Mr. Scheltema.

It would be contrary to the practice to permit Mr. Scheltema to purchase the accrued area applied for until he filed an abstract of title showing the patented land to be registered in his name.

Mr. Scheltema is also desirous of purchasing the small portion containing 10.1 acres in the [illegible] corner of the [illegible] 3, but his application for this parcel cannot be considered as the same has been acquired by one who would uphold as a homesteader.

Respectfully submitted,

Acting Controller.

I beg to acknowledge the receipt of your letter dated the 23rd ultimo, notifying the Department that a charge has been created against the above described land under the Soldier Settlement Act, and in reply to say that as the Natural Resources have now been transferred to the Western Provinces the Officials who were formerly Agents of Dominion Lands have now no authority to receive instructions from this Department.

Under the circumstances, it would appear to be advisable for you to communicate with the Provincial Authorities regarding the matter in question.

Advice has been received that the Honourable ...G. Reid, Minister of Lands and Mines, will deal with the disposal of the Natural Resources in the Province of Alberta.

Dear Sir,-

I am planning returning to N.W.T. [illegible]
Soldier Grant in the Spring. At present my father is wasting away at St. Mary's hospital, here, with cancer, and according to medical experts and ex-Ray reports is beyond medical aid.

I would like you to see that my interests are protected till I am able to return in the Spring of this year. You tell me that my homestead is gone, but still I have my (soldier grant) and possibly with a little cooperation and [illegible] will on your part I still have time to save the day.

Please let me know what you can do in my case, and if it is not too late I might be able to satisfy your obligations and resume duties on my homestead, the matter you recently took by yourselves for payments beyond my means.

Please consider what can be done in my case and let me hear early so I can make ready by Spring.

Another question: Granting that I am now an American citizen would all this procedure be permissible.

Please advise me fully so no difficulties will arise after a final decision is arrived at.

Very sincerely,

I attach hereto copy of a communication received from the above named settler who is desirous of ascertaining whether your Department is prepared to recognize his interest in the quarter section which he obtained some years ago as a homestead.

This settler's loan was placed in adjustment sometime ago and our charge against the homestead was released. You will observe from the settler's letter that it is his intention to return to the homestead in the Spring or as early as circumstances will allow.

It would appear that the settler is sincere in his intention to resume farming, and it might be possible for you to give his request favourable consideration, provided the land is still under the control of your Department.

Dear Sir,

Please allow me till the spring of this year to resume my homestead residence on (soldier grant) N.W.23-77-26-5.

I have been handicapped for years on account of sickness, my mother died two and a half years ago here and my father has been lingering since before that time with cancer. The Dr. now says he is beyond medical aid. He is at present in St. Mary's Hospital in this vicinity.

Will you let me have a written permit of an extension of time till about May of this year.

Sir:

I would be pleased of your advice as to what disposition, if any, has been made of the above mentioned land, as this Department has been advised by the Director of Lands here, that the homestead entry of Mr. Dyer was cancelled on Mar. 17th 1932, and the land is now open for entry.

It would appear from our records that Mr. Dyer allowed this quarter section to form part of the security held by the Soldiers Settlement Board, in connection with a loan, therefore, I am not quite satisfied that the advice received from the Director of Lands is correct.

Your early reply will be appreciated.

a for entry as an ordinary homestead by any person eligible to make homestead entry who is on active service in the Naval or Military Forces of His Majesty, or who has been honourably discharged therefrom. Men belonging to or discharged from the Allied Forces cannot homestead on the land reserved for soldiers unless they were British Subjects, resident in Canada before the war and have not exhausted their homestead right.

Re - Right of Way for Telephone Line.

With reference to memorandum, hereunder, of the 16th instant from the Forestry Branch asking for the reservation of right of way over the following lands for the above purpose, I beg to submit the following report:

N.W. 7-73-5-W.5th Mer.,) N.E. 18-73-5-W.5th Mer.,(W.½ 18-73-5-W.5th Mer.,)	Patented

In so far as the administration of Dominion Lands is concerned there would appear to be no objection to the reservation of the required right of way over the lands which are vacant in the records of the Department.

In view of the character of the reservation which it is proposed to develop for the purposes of a summer resort you may approve that a further reservation should be made for the right of way for telephone line over the lands affected.

With regard to the balance of the lands which are either patented, held under homestead entry or included in a Timber Berth, it will be necessary for the Forestry Branch to obtain the consent of the patentee, licensee or homestead entrant as the case may be, to secure right of way over the lands in question.

(Sgd). C. Harris.

Approved - Please note the reservations and advise the Forestry Branch.

Third day—
After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is on the morning of the 22nd

By a settler as defined by the Soldier Settlement Act, eligible to make entry, who holds an adjoining quarter section under Homestead or Soldier Grant Entry, or who obtained homestead patent for such adjoining quarter section and is still the owner thereof, or was a squatter before survey on such quarter section.

For ordinary homestead entry by returned soldiers who have served overseas and who produce evidence of honourable discharge.

Application for grazing lease cannot be made until the morning of the fourth day.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated. Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed.

No fee is charged in connection with a soldier grant.

The entry fee it taken as a homestead will be $10.00. According to evidence on file at this office there are improvements on the land stated to be worth $ Nil .

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any, there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent the *full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged against the Land

The following indebtedness is charged against this land: $ Nil . If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay or assume the full amount of indebtedness (for particulars enquire at office of Agent).

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Sir:

I beg to acknowledge the receipt of your letter of the 14th instant, in which you state that you have not had any reply to your letter of January 9th, 1920, and to say that upon receipt of your letter of that date the Department took the necessary steps to cancel the patent bearing date 21st March, 1910, which had been issued in the name of The Diamond Coal Company, Limited, and a new patent was issued relating back to the date of the original grant and was forwarded to you on the 17th November, 1920. On the 23rd of November, 1920, you returned this latter patent to the Department stating that as The Diamond Coal Company, Limited, gave a mortgage to The Trusts and Guarantee Company, Limited, and this mortgage was foreclosed in 1918 and title vested in the name of the Trusts and Guarantee Company, Limited, you were unable to cancel the original patent and substitute that which was forwarded to you and which you then returned. Dear Sir;-

Re Wt-"l-10-21-4th

In 1908, a Patent was issued to one, Cameron, for all of the surface and all of the Minerals in this property, excepting Coal. In 1910, a Patent was issued to the Diamond Coal Company for all the minerals. Under foreclosure of your Mortgage against the Diamond Coal Company you obtained a Certificate of Title for all of the Minerals, which, of course, is inconsistent, as a Patent had previously been issued to Cameron for all Minerals, except Coal. Your Certificate of Title should be amended, to cover Coal rights only, and I would be glad to have you return the D.C.T. for this purpose.

Re - Diamond Coal Company.

Dear Sir;-

I am in receipt of your letter of the 10th ultimo from which it would appear that the Department of the Interior has made an error and has issued the patent for the minerals other than coal underlying the West half of 11-11-1-4th, Our Company has acquired title to these minerals, under forepleasure proceedings, and we are holding this in trust for the holders of the bonds of The Diamond Coal Company Limited, which Company is in liquidation.

As the receipts for the outstanding bonds is not going to be sufficient to take care of the bonded indebtedness and there is not likely to be any available love to the bondholders, it is quite probable that [illegible] will not care to release any property that they have [illegible] an error on the Department's part. In any event without some compensation. If the Department is prepared to offer some compensation for the portable value of these rights, [illegible] to submit the matter to our principals.

RECEIVED
AUG - 1921
MEMORANDUM.

Ottawa, 5th August, 1921.

E.E. Daly, Esq.,
Departmental Solicitor.
[illegible]
By letters patent dated 5th November, 1898, Roderick William Cameron became registered owner of the above described land together with all mines and minerals other than coal. On the 31st of March, 1910, a grant was made to the Diamond Coal Company, Limited, of all minerals in this land other than gold and silver. This latter grant was made in error as it should have conveyed the coal mining rights only.

The Registrar called attention to the duplication in this case in January, 1920, and shortly afterwards the grant to the Diamond Coal Company and correct letters patent relating back to the date of the cancelled grant were issued in lieu thereof.

By letter dated 23rd November, 1920, the Registrar returned to the Department the letters patent which were issued to take the place of the defective grant because he was unable, he stated, to cancel the original patent and substitute the new one in view of the fact that title had passed from the original grantee to the Trusts and Guarantee Company, Limited, as the result of foreclosure proceedings.

By Departmental letter dated 31st June last, it was pointed out to the Registrar that the Department had done everything possible to make an adjustment in this case and at the same time he was asked to express his views as to what action should be taken in the circumstances.

A letter is now to hand from the Registrar enclosing copy of letter which he wrote to the Trusts and Guarantee Company, as well as copy of the letter received in reply. It will be observed that the Trusts Company is not prepared to surrender the Duplicate Certificate of Title without some compensation being paid.

Will you be good enough to advise me what reply you consider should be made to the Registrar regarding this case.

Re W.J. 21-10-21 W. 4th Ltr.

Please see Mr. Daly's memorandum of the 14th ultimo, beneath. I think that certified copy of the letters patent issued to Roderick William Cameron, K.B., should be placed on file before the papers are referred to the Department of Justice.

Regarding the suggestion contained in the last paragraph of Mr. Daly's memorandum, I think the best way to take note of this incident would be to paste copy of Mr. Daly's memorandum in the book of minutes and index it under the "Trusts and Guarantee Company, Limited."

Memorandum:

This file deals with a Patent issued on the 21st March, 1910, in favour of The Diamond Coal Company, Limited, granted under the provisions of the Coal Mining Regulations, comprising the west half of Section 21, Township 16, Range 21 West of the 4th Meridian.

Subsequent investigation appears to have shown that on the 5th November, 1908, patent was issued in favour of D. W. Sumerer, comprising the surface of the half section in question, together with all mines and minerals, with the exception of coal.

Two patents, therefore, appear to have been granted covering the same area, and conveying the right to the same minerals, and the holders of the patent acquired under the Coal Mining Regulations appear to be willing to relinquish the patent for correction.

You ask whether there is any provision for the payment of compensation in a case of this kind. It is assumed that the compensation referred to is on account of the withdrawal from the patent obtained under the coal mining regulations of the base metals conveyed thereby.

In reply I beg to state that so far as I am aware there is no provision for such compensation, and I do not see that the patentees are entitled to receive compensation.

The rights which The Diamond Coal Company originally acquired to the half section in question were the rights conveyed by the coal mining regulations then in force. These regulations would appear to have contemplated the disposal of the surface and coal mining rights only, and if the surface was not available, then the coal mining rights only.

In June, 1907, the whole question as to what rights should be conveyed in a patent acquired under the coal mining regulations was submitted to the Minister, (Sir Clifford Sifton), and it was pointed out that the price of coal mining lands was at the rate of $200.00 and $10.00 an acre, according to the quality of the coal, whereas all other mining lands could be purchased at the rate of $1.00 an acre. The Minister instructed that owing to the higher price paid for coal mining lands the patent therefor should include all the minerals, excepting gold and silver.

This was not a requirement of the regulations, but was a concession granted by the Department, as the regulations did not at that time provide that the patent issued under such regulations should convey any mineral excepting coal. Even if the patent in this case is confined to the coal mining rights only under the lands purchased, the patentee will still be receiving all the rights which the regulations in force at the time provided he should receive.

Sir:-

Re W.½ 21-10-21-W.4th M.

The Registrar of the Land Titles Office at Calgary has furnished this Department with copy of a letter dated the 13th July last addressed to him by you on the subject of the letters patent which were issued on the 31st March, 1910, in the name of The Diamond Coal Company, Limited, conveying all minerals other than gold and silver in the above described land. As was explained to you by the Registrar this patent was issued in error as it should have granted the coal rights only since a grant was made in November 1898 to one Roderick William Cameron covering the surface rights and all minerals in the property excepting coal.

It appears that your Company is not prepared to consider the question of surrendering the duplicate certificate of title which it holds without some compensation being paid. The Department is not aware of any provision under which compensation might be made in a case of this kind and, moreover, it is considered that there is no compensation due in the circumstances. If the patent in this instance had been properly issued, that is had it conveyed the coal mining rights only, the patentee would have received all the rights which the regulations in force at the time the grant was made provided he should receive.

Section 94 of the Dominion Lands Act (7-8 Edward VII, c. 20, s. 94) contains provision for the setting aside of letters patent issued in error.

Possibly in view of the foregoing representations you may feel disposed to return to the Registrar for correction the erroneous duplicate certificate of title which you hold and thus obviate the necessity of action being taken on the behalf of the Crown under the provision mentioned with a view to having the error corrected.

Kindly reply by return mail.

The Manager,
The Trusts and Guarantee Company,Ltd.,

Your obedient servant,

N. O. Coté,

of action being taken on behalf of the Crown to have the error corrected. It was pointed out that Section 94 of the Dominion Lands Act contains provision for the setting aside of letters patent issued in error.

A letter dated the 13ri ultimo is now to hand from the Trusts Company in which the question of compensation is again raised. The letter concludes with the following statement:-

> ".....it seems to me that if this matter is
> "referred to the Supreme Court of Alberta
> "it is going to involve much unnecessary costs
> "and we would much prefer saving some sort of
> "a friendly settlement that would not involve
> "any such reference and for this purpose I
> "would invite your suggestion as to what would
> "be a reasonable compensation, other, of course,
> "than no compensation at all."

I think that the Trusts Company might now be advised that unless it returns its duplicate certificate of title to the Registrar for correction the Department will have no alternative but to refer the case to the Department of Justice to take the necessary action under Section 94 of the Dominion Lands Act to have the error corrected. I may say that the matter has been considered by the Departmental Solicitor and he is of opinion that the papers should be referred to Justice in the absence of peaceable adjustment.

Copies for files 4371666, 3835669 and 3163052. 18th November, 1920.

Memorandum;

Conflicting applications of H.A. McCord and John Cowan to purchase that portion of the N.E.¼ of 10--81--19, W. 5th M., lying outside the Indian Reserve. Containing 25.4 acres. Shown on the sketch attached coloured pink.

I beg to submit for your consideration the applications above referred to. The land is available according to the departmental records, and Mr. McCord, who applied in January last to purchase the parcel above referred to, holds under homestead and soldier grant entries, the N.W.¼ of said Section 10, shown on the sketch outlined in green, and the S.W.¼ of Section 15, outlined in red. Mr. Cowan, who applied in May last, having been given soldier grant entry for the S.E.¼ of Section 15, shown on the sketch outlined in brown.

The Homestead Inspector in his report hereunder states;

"I find that the greater portion of this fraction lays alongside of John Cowan's homestead but as Mr. Cowan has the creek running through his land and Mr. McCord has no water on his homestead, I find by dividing this fraction giving Mr. McCord the West ½ of said fraction, containing 12.7 acres, and Mr. Cowan the East ½, containing 12.7 acres, this division would give Mr. McCord access to the water of said creek while Mr. Cowan would have access to the creek both on his own ¼ and said fraction. I therefore recommend that this fraction be divided as above."

If sales are authorized, they will require to be subject to the applicants earning title to their respective entries.

W.S. Gliddon, Esq.,
Acting Controller.

Sir,-

With reference to your letter of recent date, I beg to inform you that it is considered by the Department that you have been very fairly treated in being permitted to purchase one of the parcels of land referred to in your letter. It would have been in accordance with the practice of the Department to dispose of both the parcels in question, namely, fractional legal subdivisions 15 and 16 of section 10, township 81, range 19, west of the 5th meridian, lying outside the Indian reserve, to the entrant for the adjoining south east quarter of section 15, as these parcels lie alongside the latter's entry, and it was to give you access to the creek which runs through the said fractional legal subdivision 15 that you were permitted to purchase the same.

I may add that the decision as conveyed in the departmental letter to you of the ..nd of ..ovember last is final, and if you wish to complete the purchase of the parcel you should make arrangements respecting the payment therefor within 60 days from this date.

Dear Sirs:-

Would like to know what will be done with the portion of the fraction of the N...¼ 10-81-1-W.6th. which was held by J. Cowan who has now abandoned his place and left this part of the country and turned every thing over to the H. B. Board.

I would like to know if I might be able to purchase the whole of said fraction being that my application was in before J. Cowan's.

There is about 6 acres broke on the half which Cowan bought.

I would like to know as soon as possible if I can not buy the whole of said fraction. I do not want the other half as it is all bush.

Kindly let me know at earliest date, and oblige

Application to have patents for these lands vested in the Soldier Settlement Board under Section 27 of the Soldier Settlement Act, 1919, Chapter 71, 9-10, Geo.V.
(Salvage Case).

This entrant has obtained advances on the security of the above lands from the Soldier Settlement Board.

Amount:- $1413.24.
Purpose:- For stock, equipment, permanent improvements and other purposes.

In a memorandum hereunder dated the 3rd instant the Soldier Settlement Board reports that Mr. Cowan resided on his land only until June, 1922, when he notified the Board that he had abandoned his farming enterprise and that he had no intention of returning to the property. Since then it has not been found possible to get in touch with the settler and in order to protect its interests, the Board was compelled to institute cancellation proceedings. In due course the settler's agreements were rescinded, pursuant to a thirty day notice addressed to him on the 31st July, 1923.

The land in question being "other land" within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of the agreement made with the Board, it is requested that the right, title and interest of the settler in the above land be forfeited and that the same be vested in the Board. A Vesting Order prepared for the Minister's signature is attached.

It is suggested that the necessary action be taken to have patent for this land issued in the name of the Board.

If the Soldier Settlement Board has no objection to offer, then the Agent of Dominion Lands might be asked to obtain a report from the Homestead Inspector as to the actual value per acre of the fractional quarter section and as to the extent of the Company's lumbering operations, also as to the area required for a mill site and the probable duration of the Company's operations at this point.

Referring to your letter of the 20th of January, file 98317, enclosing an application from the Ford Lumber Company, Limited, for a mill site in the south east corner of the south east quarter of section 34, township 77, range 24, west of the 5th meridian, I beg to say that it would appear from the Departmental records that the parcel the applicants wish to secure for a mill site is comprised in the north east quarter of this section, and the Department advised Mr. W.E. re: Fractional
S.E. ¼ 34-77-14 W. 5th Mer. 1.4 acres

The fractional area mentioned above was sold to Mr. Frank Pucci on July 20th, 1936, and he was to be granted title subject to his earning title to the north-west quarter 34-77-14-W. 5th Meridian held by Mr. Pucci under homestead entry.

The information in my records shows [illegible] was granted to Mr. Pucci on his homestead entry in June, 1937.

With reference to your memorandum of the 23rd instant, you are advised that the fractional North West quarter of Section 22, Township 49, Range 20, West of the 4th Meridian, being part of the main land, and lying North and East of Miquelon Lake, is clear according to the records of this Branch. This Branch will offer no objection to your consideration of Mrs. A.A. McLellan's application to acquire the fraction.

The Water Lots and Yukon Branch will be advised in accordance with the foregoing, and that none of Section 22, with the exception of the land covered by the Lake and the islands or parts of islands in this Section, is required for Bird Sanctuary purposes, and asked to speed their reports accordingly.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows :

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of day of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Sir:-

Your letter of the 31st of August, last, with reference to the application of A. J. Taylor of Brainard, Alberta, to purchase a fractional area of land adjoining his homestead.

In my letter to you of the 13th of June, enclosing his application, a clerical error appeared in the entry which made it read the fractional north west quarter of section 4, in Township 74, Range 11, west of the 6th Meridian, which I regred, but I will point out that the application to purchase made by Mr. Taylor described the land as the fractional north west quarter of section 5, in Township 74, Range 11, west of the 6th Meridian, which adjoins his homestead entry for the North East quarter of section 6, in Township 74, Range 11, west of the 6th Meridian.

In view of the application and the clerical error in my letter will you please advise if his application can be reconsidered, as on the records of this office the area applied for does not contain 80 acres.

OFFICE OF

THE DEPUTY MINISTER OF THE INTERIOR

OTTAWA, CANADA

30th December, 1921.

Re application of Albert E. Taylor to purchase frac. N.E. 4 of Sec. 4, Tp. 44, R. 1, W. 4th M. lying East of lake - 42.5 acres.

Memorandum:

Mr. Cote.

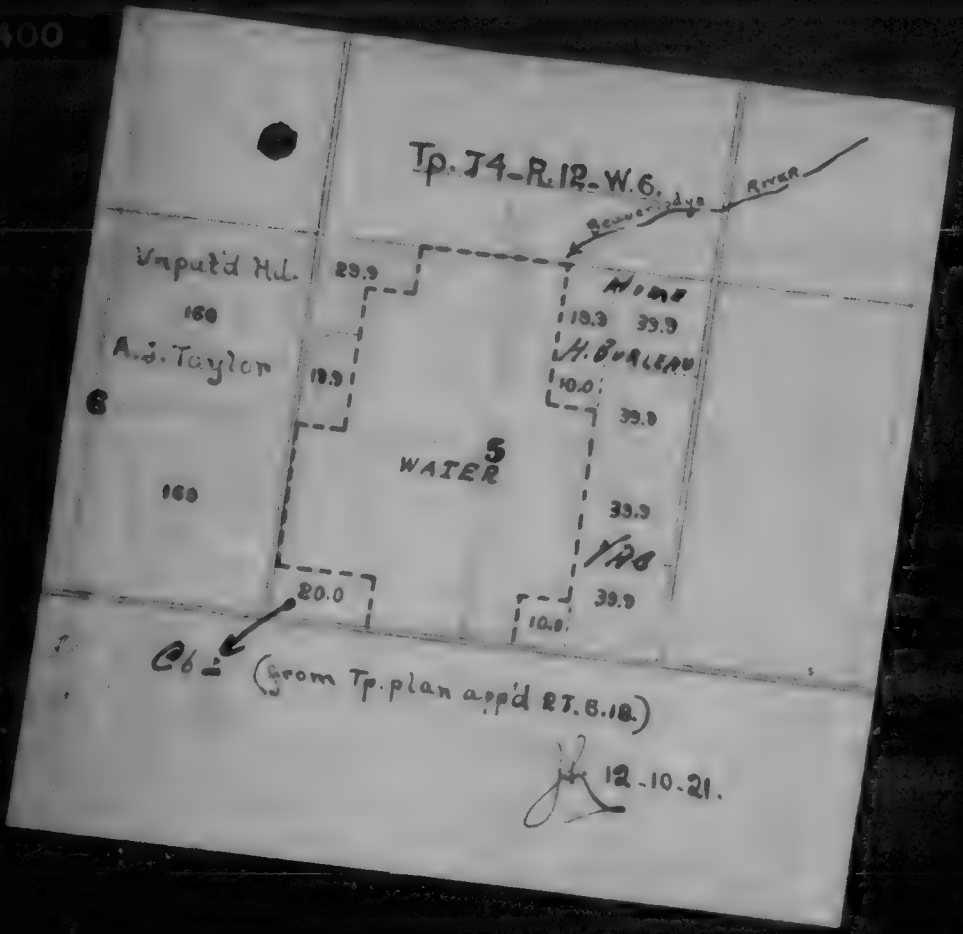

I notice from the memorandum hereunder that the Department, in disposing of the fractional south East quarter of the section, charged the applicant at the rate of $6 an acre.

Unless we have some uniform standard of values, especially in the case of adjoining lands, the applicants will be dissatisfied and we will have unnecessary correspondence.

I also notice that the vast majority of our Inspectors, in valuing lands, adhere very closely to the minimum valuation as prescribed in the Act. As you know, it has been our practice for some time past, when disposing of lands, to endeavour to get the full wild land value, and I think that it would be well to circularize the agents and Inspectors, bringing to their attention the necessity, where occasion offers, of exacting the price of private lands in the district, so that the Department may have some voice in dealing with these matters.

Deputy Minister.

Sir:

With reference to your application to be permitted to purchase that portion of the S. Sir,-

Re Time Sale No. 11449.
To A.J. Taylor.
Land: Prl.M.W.i 5-74-12-W.6th M.
Your Ref. 8304.

I beg to remind you that accompanying my letter of 5th October, 1929, there was forwarded to you a statement of this account in duplicate with a request that you forward one copy to the purchaser, and if you could not secure payment an inspector was to be delegated to call upon the purchaser from time to time when in the vicinity and, if possible, obtain settlement.

In this particular case no payment has since been received, and you might request the inspector to warn the purchaser when he is in that vicinity, that unless a satisfactory explanation is made to the Department as to his inability to pay, it is probable that the Department will proceed with cancellation of the sale without further advice to the purchaser.

Should the inspector decide to recommend cancellation of the sale or if the purchaser no longer desires to retain this land, it is expected there will be in the report information as to whether the land could be sold to some other settler, and a statement should be included in the report as to improvements, if any, and their value, that may be on the land, together with the present value of the land.

Your obedient servant,

The Agent of Dominion Lands,

J. W. [illegible]

Commissioner.

N. B. The Department requires that all arrears on time sale accounts be paid off as soon as possible and all payments made as they come due, and it is expected that you will follow up all accounts in arrears until paid in full or recommended for cancellation. Whenever an extension of time is requested, a definite date, by which the purchaser expects to be able to make a payment, should be stated.

In accordance with the Department's instructions I having already on consecutive months notified Mr. Taylor in connection with this sale and I now request you to call upon him at the earliest possible date and from time to time until payment in full has been secured. Mr. Taylor promised to make a substantial payment on the 15th of February and has failed to do so. He owes the sum of $294.88 on account of principal with interest on various amounts from the 15th of May, 1923 to date of payment. If some action is not taken by him at once I am afraid the Department is liable to cancel the sale, as he was granted an extension until the 15th ultimo on his own request.

Land Patents Branch

Ottawa 2nd June, 1920.

The Deputy Minister

Memorandum;

Application of J.E. Campbell to purchase the fracl. N.E.¼ of 1--61--26, W. 4th M. shown on the sketch attached coloured pink.
Containing 7.4 acres.

I beg to submit for your consideration the application above referred to. The land is available according to the departmental records, and the applicant claims ownership of the adjoining fractional S.E.¼ of section 12, shown on the sketch outlined in blue.

Neither the Soldier Settlement Board nor the Reclamation Service offers any objection to the application being considered and the Surveyor General states that it is not probable that the lake affecting the said fractional N.E.¼ of Section 1 will become dry.

The Homestead Inspector in his report hereunder states that the parcel applied for is suitable only for grazing or hay purposes and recommends its sale to Mr. Campbell at the rate of $3.00 an acre.

(over)

W.S. Gliddon, Esq.,
Acting Controller.

If a sale is authorized, the applicant will require to have filed here evidence of ownership of the said fractional S.E.¼ of Section 12.

Sale recommended
in usual conditional

Memorandum:

Mr. Hume.

General Check of Range 19.
Tp. 73, Rge. 19, W. 5th M.
N.W.¼ & S.½ of 10, N.W.¼ 14,
W.½ of 15.

According to Land Patents Branch the above lands are reserved for Soldier Settlement. The Agent of Dominion Lands reports "Not open."

The Mining Lands & Yukon Branch reports Petroleum & Gas Lease on Section 10, surface open. The lands are reported clear in the other Branches of the Department. There are no Head Office files for N.W.¼ of 10, N.W.¼ 14 & W.½ of 15.

Files No. [illegible] for the S.½ of Section 10 are attached hereto. It would appear from these files that there was formerly a squatter, T. Vigne, on this half section, but you will note from the memorandum dated the 6th August, 1919, that his application to purchase was not to be considered as he was not a settler on adjoining land. On October 15th, 1919, H. S. McDonald, a returned soldier applied for this half section but was informed by H. O. letter dated the 5th instant that it was not available for entry at present.

The Smoky River cuts through the W.½ of Section 10 & cuts off a small portion of S.E. ¼ 10, N.W.¼ 11 is a complete quarter section. The Smoky River cuts off a small part of W.½ 15. The lands are within three miles of Smoky Station G.T.P. & R.C.R.Ry. As the greater part of this township is reserved for Soldier Settlement, I would suggest that the Agent be instructed to refer these quarter sections available for soldiers entry, unless he is aware of no reason to the contrary.

Mr. H.S. McDonald should be advised if the S.½ of section 10 is thrown open.

Copies of this memorandum attached to form the basis of files for N.W.¼ 10, N.W.¼ 14, N.W.¼ 15, W.½ of 15.

Posting of Soldier Settlement Land.

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the day of 191 , the ¼ of Section 10 Township 18 Range West of the Meridian, will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:

ON THE DAY LAST ABOVE MENTIONED the privilege of entry (either as an ordinary homestead or as a soldier grant) is restricted to a "settler," as defined by the Soldier Settlement Act, eligible to make entry who holds an adjoining quarter section under homestead or soldier entry, or who obtained homestead patent for such quarter section and is still the owner thereof, or who was a squatter before survey on such quarter section. The regulations relating to conflicting claims by adjoining settlers will be found in full on the back of this notice.

ON THE SUCCEEDING DAY (namely the day of), and thereafter (unless entered for or reserved for an adjoining "settler") the land will be available

(a) for entry as an ordinary homestead by any person eligible to make homestead entry who is on active service in the Naval or Military Forces of His Majesty, or who has been honourably discharged therefrom. Men belonging to, or discharged from, the Allied Forces cannot homestead on the land reserved for soldiers unless they were British Subjects, resident in Canada before the war and have not exhausted their homestead right.

(b) for entry as an ordinary homestead by a "Settler" as defined below, provided he is eligible to make homestead entry.

(c) for entry as a soldier grant by a "Settler" as defined below.

"Settler" means

(a) Any person who has served in the naval or military expeditionary forces of Canada during the present war and who has left the forces with an honourable record of who has been honourably discharged.

(b) Any person who has been engaged in active service during the present war in the naval or military forces of the United Kingdom or of any of the self-governing British Dominions or Colonies and who has left the forces with an honourable record, who has been honourably discharged or who is still engaged in active service.

(c) Any person who, being a British subject resident in Canada before the war, has been engaged in active service during the present war in either the naval or military forces of any of His Majesty's allies in the present war, and who has left the forces with an honourable record, or who has been honourably discharged.

(d) The widow of any such person described in paragraph (a) above who died on active service.

(e) The members of the expeditionary forces specified in the Soldier Settlement Act, 1919, who are there members who have been discharged or left the forces after having served in an actual theatre of war, or who, by reason of wounds received or illness contracted while on active service, are unable to perform the duties of their former occupations, or who have been granted commissions in the Imperial Forces after having served in Canada only and having received honourable discharges from the Canadian Expeditionary

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right mentioned in the preceding section the question of their claims shall be determined by the priority of the dates of their respective entries on the conflicting area recorded in the Soldier Settlers' Branch office.

34. For the purpose of considering and giving effect to the rights of all persons claiming priority the Agent shall receive all applications for entry offering under the preceding section if requested to do so by the applicants personally or their agents duly authorized in writing, on the days, hours of the day, and at such place as the Agent may appoint, and shall grant priority of entry to the applicant who is first in order of time, and the priority of entry of each other applicant shall be considered, or until the meeting of the succeeding day.

Provided that if the Agent is satisfied by written or otherwise sufficient evidence that a Sub-Agent or a local representative has accepted from a person claiming a prior right of entry an application for entry from a person claiming a prior right of entry on the land affected and that such person by reason of the priority of date of his application for entry on the said land has a prior right of entry to any other applicant, the Agent shall hold the land until such application is made before the Sub-Agent or local representative has been removed.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent a settler who according to the records has a prior right of entry over all other applicants is unable to attend on such day the Agent may leave the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is satisfied that it is the priority of any applicant he shall not grant entry on the land affected but refer the matter to the Board for consideration.

35. Any land which, after having been regularly offered for entry, remains unentered on the first day on which such land can be entered for entry, and any land which, having been entered for, is subsequently relinquished, shall become open, on the following day to any settler entitled to make entry under these regulations.

Sir,

With reference to your application to be permitted to purchase that portion of the S.E. of section 10, township 78, range 24, west of the fifth Meridian, lying north-west of Smoky River, I beg to inform you that it has been decided that it would be inadvisable to dispose of the whole of the parcel in question to you and that you can, if you so desire, purchase the portions of fractional legal subdivisions 1 and 14 of said section 10, lying west of the river and containing about 7.5 acres, at the rate of $7.00 an acre, provided you will have filed here an abstract of title or duplicate certificate of title showing you to be the registered owner of the adjoining fractional S.E. of section 10.

Either the whole of the purchase money should be remitted to the Agent of Dominion Lands, Grande Prairie, to whom a copy of this letter is being sent for his information, on or before the 1st proximo, or one-fourth of the amount within that time limit and the balance in three equal annual instalments with interest thereon at the rate of 6% per annum. On any overdue instalments, however, the interest to be charged will be at the rate of 7% per annum.

It will be necessary for the abstract of title or duplicate certificate of title above referred to, which you obtain from the registrar, Land Titles Office, Edmonton, to be filed here on or before the date on which it is required that either the whole or one-fourth of the purchase money shall be made.

what you will accept me to have
the land described as W½ S.E.¼ Sec. 10 T.S. 28 R 24 West

I do not think that its worth
that much but I do think there is a lot

think you had better cut it down to
five dollars per acre if you can I will
except the Section all right

Sir,- Ref. 9305.

In his report which accompanied your letter of October 9th, re fractional North West quarter of Section 10, Township 78, Range 24, West of the 5th Meridian, West of Smoky River, Homestead Inspector Hayden stated that a fair value for the land is $6.00 per acre.

The applicant has stated that he does not think that the land is worth $6.00 an acre because it is so brushy.

I notice that the adjoining parcel of land on the same side of the Smoky River in the South West quarter of Section 10 was sold at $5.00 per acre, and before taking the matter up again with the homesteader I will be glad if you will ask Mr. Hayden if he has any further comments to make in respect to the price placed upon this land.

I beg to advise you that Mr. Charles C. Roche has made application to purchase the frl. S. E. ¼ of Section 16-78-20-West of the 5th Meridian, in connection with his homestead entry the S.W. ¼ of 16-78-20-5th M. containing an area of 59.7 acres.

When in the vicinity of this land kindly interview the applicant; furnish a full report and give an estimate on the value per acre, taking into consideration the price asked for lands of similar quality in the immediate vicinity.

If the land is rendered fractional by a body of water state whether the Lake is of a permanent character, or liable to dry up and leave the full quarter for homesteading or grazing. Should the fraction shut off different adjoining properties from the water kindly consider the advantage of a water frontage from the standpoint of each property holder, and if it appears advisable, you should recommend a division of the parcel.

The Inspector's report on the application reads as follows:

"I beg to report that I have inspected above described land and found it to be partly covered with heavy scrub poplar. This land is rendered fractional by a body of water that is not liable to dry up. $7.00 per acre is a fair value for this land I would recommend that applicant be granted permission to purchase this fraction."

I would, therefore, recommend that the applicant be permitted to purchase the area at the rate of $7.00 per acre subject to his earning title to his homestead the S.W. ¼ of section 16.

Sir:-

Adverting to your application to purchase the fractional S.E. ¼ of Section 16, Township 78, Range 20, West of the 5th Meridian, I beg to advise you that it has been decided to permit you to purchase the area containing 99.7 acres at the rate of $7.00 per acre.

The sale will be subject to your earning title to your homestead the S.E. ¼ of Section 16 and should, therefore, your entry be cancelled for nonfulfilment of the homestead conditions any money paid on account of your purchase of the above described fractional area will be forfeited to the Crown.

Either the whole of the purchase money should be forwarded to the Agent of Dominion Lands, Peace River, to whom a copy of this letter is being sent for his information, on or before the 15th April next, or one-fourth of the amount within that time limit and the balance in three equal annual instalments with interest thereon at the rate of 6% per annum. Overdue instalments will be subject to interest at the rate of 7% per annum.

Should a further survey be made of the parcel in question before the issue of patent the area which may be shown on the new edition of the township plan will constitute the basis of the sale.

I may add that the sale in this case will be subject to the right of the Province to take for road purposes without compensation prior to the issue of patent such land as may be required not to exceed two and one-half per cent. of the total area, and likewise subject to the right of the Province to take such area as may be required for right-of-way in connection with drainage projects not to exceed one per cent. of the total area. In the event of a deduction in area being made for either or both of these purposes, the account will be adjusted accordingly.

Sir,

Adverting to your application to purchase the fractional South East quarter of Section 16, Township 78, Range 20, West of the 5th Meridian, I beg to advise you that it has been decided to permit you to purchase Legal Subdivision 7 containing an area of 39.8 acres, at the rate of $7.00 per acre. The sale will be subject to your earning title to your homestead the North East quarter of Section 16 and should, therefore, your entry be cancelled for non-fulfilment of the homestead conditions any money paid on account of your purchase of the above described fractional area will be forfeited to the Crown.

Either the whole of the purchase money should be forwarded to the Agent of Dominion Lands at Peace River, to whom a copy of this letter is being sent for his information, on or before the 30th September next, or one-fourth of the amount within that time limit and the balance in three equal annual instalments with interest thereon at the rate of six per cent. per annum. Overdue instalments will be subject to interest at the rate of seven per cent. per annum.

Should a further survey be made of the parcel in question before the issue of patent, the area which may be shown on the new edition of the Township plan will constitute the basis of the sale.

I may add that the sale in this case will be subject to the right of the Province to take for road purposes without compensation prior to the issue of patent such land as may be required not to exceed two and one-half per cent. of the total area, and likewise, subject to the right of the Province to take such area as may be required for right of way in connection with drainage projects not to exceed one per cent. of the total area. In the event of a deduction in area being made for either or both of these purposes, the account will be adjusted accordingly.

Commissioner.

RE: S.E. 9-75-2-W.6th M. Homestead.
N.W. 3-75-2-W.6th M. Soldier Grant.
George Frederick Clark.
Your reference - 70004.

I have your letter of the 31st ultimo, which was accompanied by Grand Prairie Agency file covering the entries of George Frederick Clark.

The homestead of George Frederic Clark, the S.E. 9-75-2-W.6th M. was patented to the Director of Soldier Settlement of Canada on the 27th July, 1933, under section 27 of the Soldier Settlement Act, 1919, Chapter 71, 9-10, George V.

The interest of the Dominion in the N.W. 3-75-2-W.6th M. the soldier grant of the said person was transferred to the Province of Alberta by order in Council of the 25th January, 1937, P.C. 144.

It would, therefore, appear that the records relating to the N.W. 3, the portion vested in the province, should be in your office. However, as the Agency file for that parcel of land as been supplied with the file relating to the S.E. 9-75-2-W.6th M., the patented homestead and now known as 1603, it is considered advisable not to separate the papers, but to permit each file to remain in your possession.

I am, therefore, enclosing Grand Prairie Agency file No. 1603 for the completion of your records.

Re S. [illegible]-30-2-W. 4th M.

I am referring this case to you in view of a statement made by the Messrs. Blakely in the letter of the 22nd ultimo underneath, that the above mentioned half-section is reserved for hay purposes.

I would ask you to kindly peruse this communication and if, as stated, the land is reserved for hay purposes would you consider the advisability of having an investigation made in regard to the necessity for this reservation, particularly in view of Messrs. Blakely's contention that the land is not required for this purpose and is otherwise suited for agricultural purposes.

It might be stated that the Messrs. Blakely hold ~~Homestead~~ Soldiers entries for the North West quarter of Section 17 and the North East quarter of Section 18, respectively, in Township 28, Range 28, West of the 4th Meridian, and they are anxious to secure the South half of Section 30 under ~~Settlers~~ Grant entries.

...ried up area - Cygnet Lake.
S. 10-38-18-4. 4th Mer.
Additional area - 15 acres.

The question of the disposal of lands formed by the recession of water in Cygnet Lake was recently submitted on file 494682 and it was decided that where parts of quarter sections had been disposed of, the question of the disposal of the additional areas in such quarter sections should be submitted individually.

The original land area in the above half section, 195 acres, was transferred to the Department of Indian Affairs some years ago for hay purposes.

The Department of Indian Affairs later moved their industrial school at this point to the proximity of Edmonton and by Order in Council of the 9th April, 1910, P.C. 713, transferred certain lands, including the above fractional half section, to the Soldier Settlement Board and this parcel is now being used by the Board for training purposes in connection with land settlement.

Kindly advise whether you consider action should be taken to transfer the additional area, 15 acres, to the S.S.Board, or whether the matter may be left in abeyance pending request from the Board.

Gentlemen,

Referring to your letter of the 6th instant, reference C. 250, which was left with us by your Mr. Scott Sr., I may say that a careful search has failed to disclose any record of authority having been granted by the Department for the construction of a ditch and dam on the south half of section 20, township 38, range 28, west of the 4th meridian. In this regard please refer to the departmental letter to you in this matter dated the 29th December, 1930.

There appears in our records a notation of a Reclamation Service file relating to the Cygnet Lake District in township 38, range 28, west of the 4th meridian. This file, No. 1784, was handed over to the Province following the transfer of the natural resources. For information as to whether the correspondence on such file contains reference to the ditch and dam on the south half of section 20, enquiry should be made of the Department of Lands and Mines, Edmonton.

Incidentally, it may be stated that by Order in Council, P.C. 3602, dated the 24th December, 1894, the south half of section 20 was reserved as hay land for the use of the Indian Industrial School at Red Deer. The half-section was later patented to The Soldier Settlement Board of Canada under the authority of an Order in Council, P.C. 1015, dated the 13th June, 1929.

30th May, 1932.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

The undersigned has the honour to report that prior to the transfer of the natural resources to the Western Provinces, the persons enumerated in the attached schedule had obtained homestead entries under the Dominion Lands Act, and had effected certain improvements on their respective holdings. In each case the entry was cancelled as set forth in the schedule, and upon cancellation the land was otherwise disposed of, and the value of the improvements, as they existed on the date of such disposal, was collected by the Department of the Interior from the person acquiring the land.

A Tax Statement has been received in each case showing that the former entrant is indebted to the local Municipality or School District for taxes which had accrued against the land during the time he held the same under entry. Under the circumstances the undersigned begs to recommend, under the authority of an Act entitled "The Refunds (Natural Resources) Act", enacted to say 15th, 1932, that authority be given for the refund

(a) of sufficient moneys to retire the outstanding taxes; and

(b) to the former entrant of the balance of the sum collected for improvements in each case, as shown by the attached schedule.

Respectfully submitted,

Minister of the Interior.

INTERIOR

INTERIOR: The Board had under consideration the following memorandum from the Honourable the Minister of the Interior:-

"The undersigned has the honour to report that prior to the transfer of the natural resources to the Western Provinces, the persons enumerated in the attached schedule had obtained homestead entries, under the Dominion Lands Act, and had effected certain improvements on their respective holdings. In each case the entry was cancelled as set forth in the schedule, and upon cancellation the land was otherwise disposed of, and the value of the improvements, as they existed on the date of such disposal, was collected by the Department of the Interior from the person acquiring the land.

A Tax Statement has been received in each case showing that the former entrant is indebted to the local Municipality or School District for taxes which had accrued against the land during the time he held the same under entry. Under the circumstances the undersigned begs to recommend, under the authority of an Act entitled 'The Refunds (Natural Resources) Act', assented to May 13th, 1931, that authority be given for the refund.

(a) of sufficient moneys to retire the outstanding taxes; and

(b) to the former entrant of the balance of the sum collected for improvements in each case, as shown by the attached schedule."

The Board concur in the above report and recommendation, and submit the same for favourable consideration.

The Honourable
the Minister of the Interior.

Clerk of the Privy Council.

DEPARTMENT OF THE SECRETARY OF STATE

Ottawa, March 7,1927.

Sir:

Referring to our conversation of this morning in connection with the case of Mrs. Charles Parsons, whose letter to you together with a letter from the Secretary of the Department of the Interior to Mrs. Parsons I return herewith, I beg to inform you that Mrs. Parsons lost her status as a British subject through her marriage to her present husband. The naturalization of Mr. Parsons in Queensland, Australia, only carried with it the status of a British subject while he remained in that country, and when he left Queensland and came to Canada he reverted to his original nationality. The fact that Mr. Parsons has not resided in Canada for a period of five years within the last eight years renders him ineligible to apply for naturalization under the present Act.

The question of the issue of letters patent to Mrs. Parsons for her homestead is one, of course, with which this department cannot deal.

I have the honour to be,
Sir,
Your obedient servant,

Sgd. Arthur Brophy,

for Under-Secretary of State.

D. M. Kennedy, Esq., M.P.,
House of Commons,

Hon. D. M. Konnedy, M.P.,
Parliament Bldgs.,
Ottawa, Ont.

Hon. Sir:

I beg the liberty to solicit your assistance re obtaining Patent to my homestead.

In 1920, my first husband died, (Jesse Rains). He was a British Subject by naturalization and homesteaded here fifteen years ago, where I have resided continuously ever since.

In Feb. 1921, I homesteaded the S.W. ¼, 13-61-26, W 4th in the name of Hester E. Rains, (I was then a widow). I completed the improvements and all conditions on above homestead and applied for my Patent in Spring of 1924 and my application was accepted. Later I was married to Charles Parsons, in July 1924. - He has been a British Subject since 1898 by naturalization in Old Australia and has been considered a citizen here until I wrote the Department re my Patent about one year ago now, as Mrs. Chas. Parsons, when they asked for Mr. Parson's naturalization papers, which I sent; then they informed me that Mr. Parsons would have to take out papers here. So he went to Edmonton and made application and he was accepted and we thought all was O.K. until a few weeks ago.

It seems on account of Mr. Parsons having been back in Oregon, U.S.A. (where he was born) visiting with his folks, it interfered some way with his residence here. He came to Alberta in Spring of 1919, intending to stay, but went back for a while, but has been here all the time since July 1924.

Now Mr.Kennedy, I really think I am entitled to my Patent, even though Mr.Parsons was not a British Subject, (which he is and has been for 29 years),-do you not think so?

I would not care so much but we are very much in need of a loan, which I could get on this homestead if I had my Patent. We need the money to carry on improvements.

Trusting you will kindly consider this matter and use your influence to assist me. I thank you in anticipation,

Yours faithfully,

Sgd. Hester E.Parsons,

Per. Chas.Parsons.
